

This message is getting sent to you in regard to a change in the morning "TOWN" bus route. We are going to change to only making ONE trip around town. This will put your student at school at approximately the same time as all other students and will still allow them time to eat breakfast, if they wish.

The following is the new schedule that we are going to try and go by. The locations have not changed only the times.

This will start on Tuesday, Jan 12

If you have any questions please contact Trent at the Lo-Ma School.

We are also looking at making changes in the afternoon route.

Thank you for your patience in making this adjustment
